RYAN marie

Hello, my name is Ryan Marie Carson. I am the 3rd generation Carson, leaders in the gift industry since 1972. As a child, I loved fashion and had to have the perfect accessories to match every outfit! This love only grew over the years and turned into a passion for design. I am fortunate to have my father in this industry. He supports my passion and has helped guide me into a career in fashion. As a teenager I have fond memories of working trade shows all over the country alongside my dad. Working the shows gave me a birds eye view of the creativity that goes into the various products on the market. I knew that I wanted to be part of the design world!

My father purchased Great Finds in 2017. This presented an opportunity to put my passion for design to work and help create a fashion introduction with new and exciting products for Great Finds.

We are excited to introduce our new resort expansion for 2023 featuring the perfect souviner travel bags along with a wallet. Take your style to the beach with our new beach totes and bikini bags.

Thank you for making my fashion dreams come true!

Ryan Marie Carson

H2No

Waterproof dry pack bags are made from ripstop tarpaulin with a sturdy welded seam which is designed to prevent tears, rips and punctures. Solid roll-top closure system provides secure watertight seal. Protects your gear in any situation where the bag is not fully submerged from water, snow, mud and sand. Easy to wipe clean due to its smooth surface.

Material: Ripstop tarpaulin. Available sizes listed. 2 piece min.
